

Open Corporates Scraper

Objective:

- Create an automated program which scrapes information on companies and officers from <https://opencorporates.com/>
- The input that you will manually enter into the automated program is a company name or an officer's first & last name
- After the information is scraped from <https://opencorporates.com/>, export the data into a CSV file

Company Name Scraping

Step 1: Open the <https://opencorporates.com/> website

Step 2: Based on the program's company name input, automatically type the company name into the search bar and run the search

A screenshot of the Open Corporates search interface. It features a search bar with the text "Crixus Capital" entered. To the right of the search bar is a dropdown menu labeled "All jurisdictions" with a downward arrow. Further right is a red search button with a white magnifying glass icon. Below the search bar, there are two radio buttons: "Companies" (selected) and "Officers". At the bottom right, there is a link that says "Browse all jurisdictions" followed by a right arrow.

Step 3: Automatically click on the first registered company
